Cancellation and Refunds:

Please note that iE USA will always strive to refund participants as much money as is retrievable at the time of cancellation. However, because we are bound by restrictions imposed upon us by the various suppliers, we need to make sure that you also are aware of the cancellation fees involved. If a traveller withdraws from the tour after money has been paid to iE USA the following fees will apply:

- If cancellation is prior to April 15, 2011 there will be no penalty other than the forfeit of the deposit, which is non-refundable from the time of receipt.
- If cancellation is between April 16 and May 5, 2011 all moneys paid to iE USA will be refunded less the non refundable deposit and a 200.--US\$ cancellation fee. (US\$ 450.—total per person)
- If cancellation is after May 5, 2011, no refunds will be available.

Trip Cancellation Insurance: iE USA recommends a trip cancellation insurance to protect yourself against penalties outlined above. There might be unforeseen circumstances that cause a cancellation. iE USA offers more information. Please call or e-mail !
