

AN EASY WAY TO RAISE FUNDS FOR YOUR ORGANIZATION

iE-USA.org

HERE'S HOW!

For each volunteer host family referred to iE-USA resulting in a successful placement of one of our exchange students, we are happy to send \$200 to your club or organization.

Do you know a friend, neighbor, co-worker, or relative who would make a terrific host parent? After speaking with them about the opportunity, send their information to us and we'll take care of the rest!

How do I get started?

- Request marketing materials from us to distribute throughout your organization.
- Call today to get connected with your local coordinator and find out about openings at the schools in your area.
- Talk to friends, family, and neighbors about hosting an exchange student and help support your group or club!
- Go to iE-USA.org, click on "Make a Referral", and complete the form with your club information in the message field.
